

MAKE YOUR OWN CORAL REEF!!

An activity inspired by the book
Coral Reefs: Cities of the Ocean
by Maris Wicks
(First Second Books, 2016)

MAKE YOUR OWN CORAL REEF!!

Some things to think about as you make your reef:

Where do all these animals live?

Which ones like the bottom?

Which ones swim out in the open?

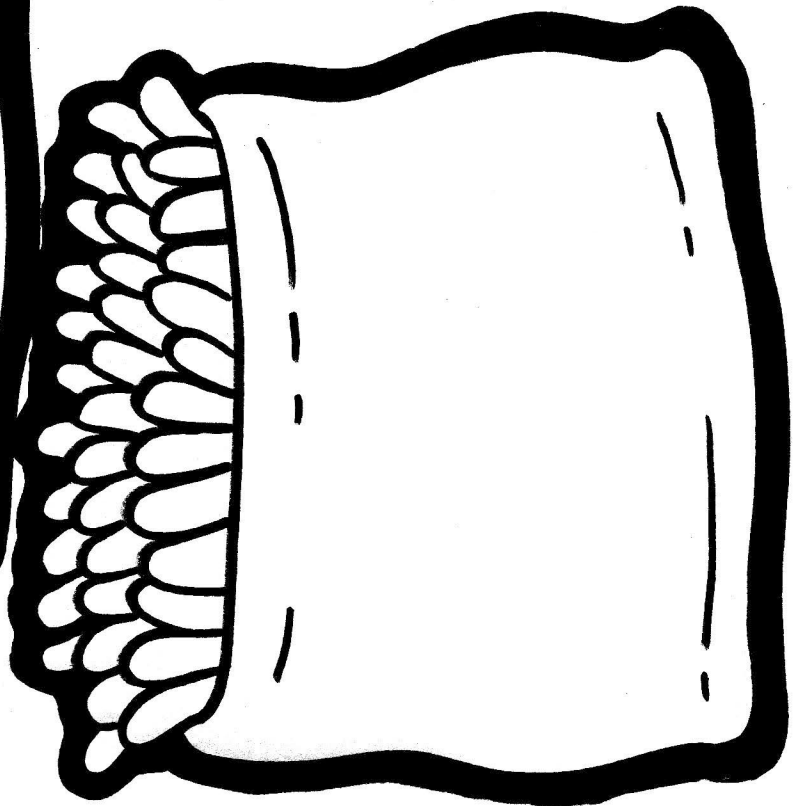

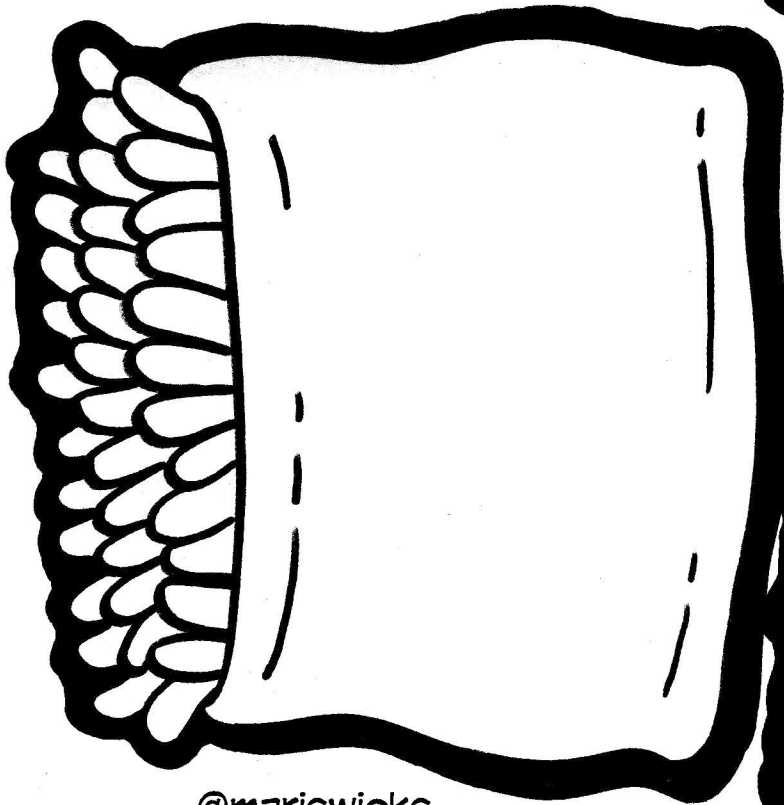

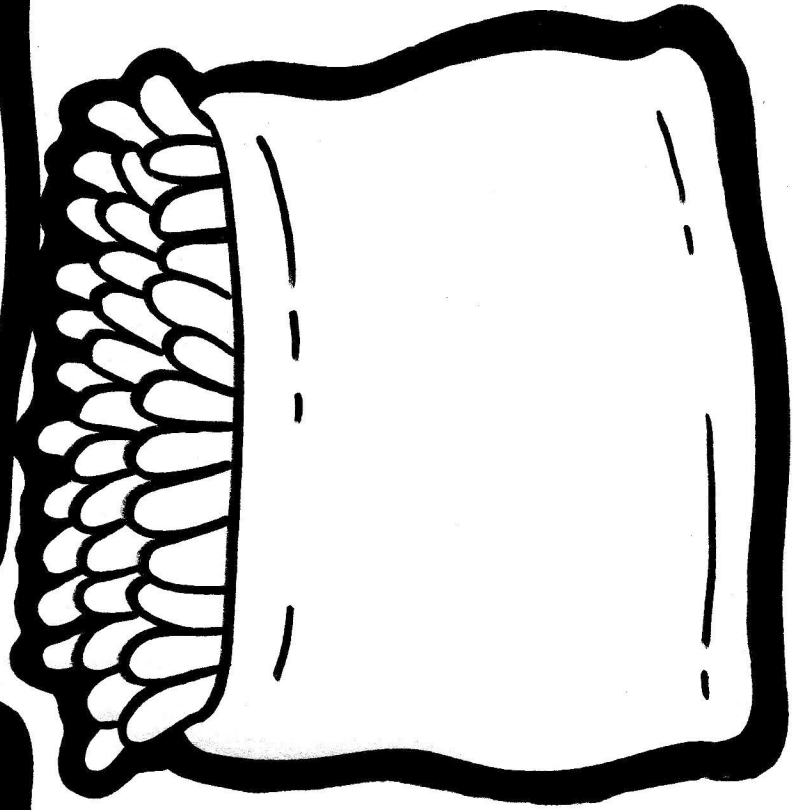

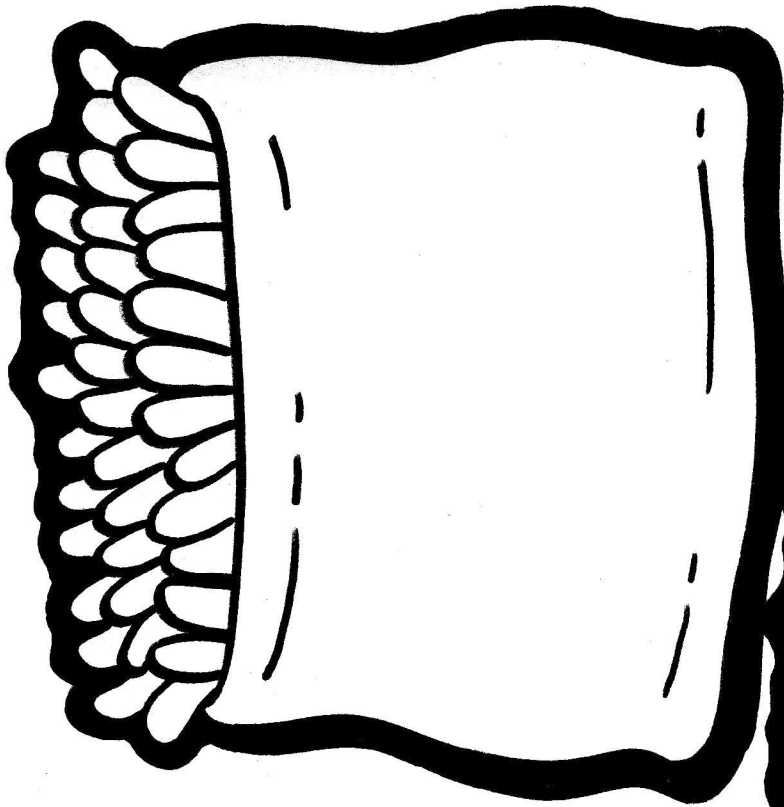

Who is active during the day?

And who is active at night?

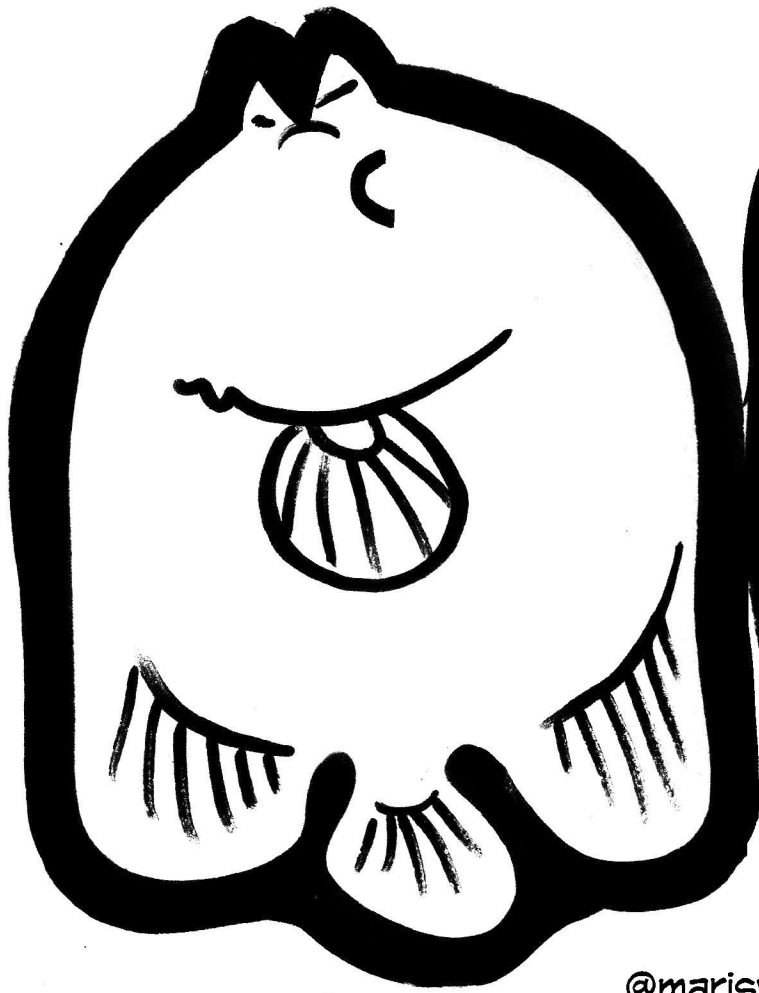

What do they eat?

And what eats them?

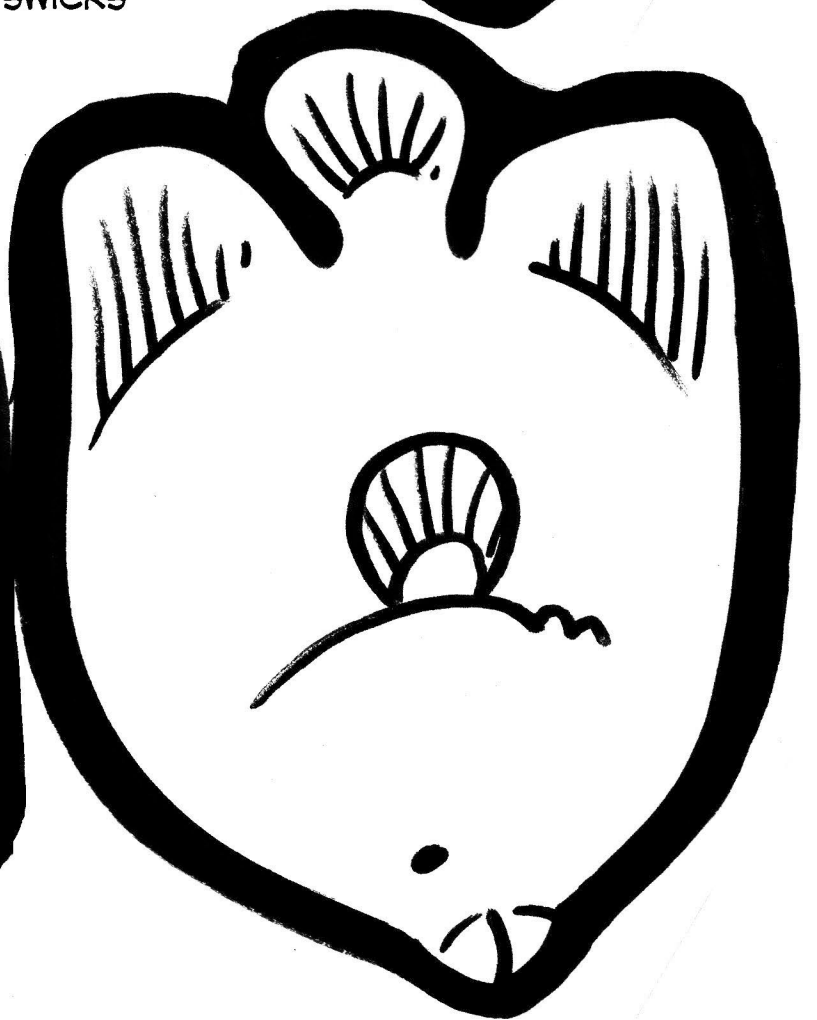

Oh, and have fun!
